

THE COURSE

A Beautiful 18-Hole Golf Course

The 18-hole championship layout varies in length from 5,300 to 7,200 yards with 5 sets of tees to choose from. This scenic course winds through wooded and sloped terrain, traverses creeks and various ponds or wetlands by way of 3 covered bridges.

An 8-foot wide continuous concrete cart path winds along the bent grass fairways and greens that are irrigated with an automated irrigation system. The course is open to the public with advance reservations suggested.

The practice facility is second to none. A 12,000 sq. ft. practice tee provides ample space to warm-up or for just

practice, and includes target areas at 50-yard intervals. Adjacent to the practice range is our short game area with 3 target greens as well as a putting green.
